PREFACE

The purpose of this handbook is to provide a standard of conduct and expectations for each student of Shiloh Christian School. As students demonstrate respect for this standard an environment will be created that is conducive to the highest learning experience and one that brings honor and glory to God.

The contents of this handbook, while extensive, will not address each and every issue that may arise during the course of any given school year. When such occasions arise, administrators will address the issue and render decisions that are fair and in the best interests of the student and the school.

PHILOSOPHY STATEMENT

Shiloh Christian School strongly adheres to the belief that all truth is God's Truth. God the Father must be recognized as the creator and organizer of the universe before true mastery of worldly facts can be established.

Shiloh Christian School believes that Christian education is the process of teaching and learning conducted by born-again Christian teachers in an environment where God and His Word are the highest authority. The primary objective through this Biblical worldview is to bring all knowledge into a living relationship with the Truth of the Word of God.

We believe it is our responsibility to nurture the growth of students, not only in academic, social, and physical parameters, but in the spiritual realm as well.

The entire learning process should produce individuals who are capable of being both productive members of society and contributing members of the body of Christ.

STATEMENT OF FAITH

We BELIEVE the Bible to be verbally inspired in its original form, the only infallible, authoritative Word of God (II Timothy 3:16-17, II Peter 1:20-21).

We BELIEVE that there is one God eternally existent in three Persons: Father, Son and Holy Spirit (John 14:16-18, John 17:11).

We BELIEVE in the Deity of Christ (John 1:1-4, John 14:9, Colossians 1:15-17), in His conception by the Holy Spirit (Luke 1:35), in His virgin birth (Matthew 1:18-25), in His sinless life (II Corinthians 5:21), in His miraculous works (John 2:23), in His substitutionary death through His shed blood (I Peter 2:24), in His literal, bodily resurrection (John 20:10-29), in His bodily ascension to the right hand of the Father (Mark 16:19), and in His pre-millennial, imminent bodily return (Acts 1:11, Revelation 20:1 -9, Matthew 24:27, I Thessalonians 4:13-17).

We BELIEVE in the totally depraved and lost condition of man by nature (Jeremiah 17:9, Romans 3:23) and in salvation by grace through faith in the Lord Jesus Christ wholly apart from works, (Ephesians 2:8-10, John 3:3-7, John 1:12-13, Titus 3:5-7), the evidence of which is works of righteousness (Ephesians 2:10, James 2:14-18).

We BELIEVE that all who receive by faith the Lord Jesus Christ as personal Savior are born again of the Holy Spirit and thereby become children of God (John 3:5, 6; Romans 3:21-30, Galatians 4:4-7).

We BELIEVE in the personality of the Holy Spirit and in His present ministry of conviction, regeneration, indwelling, enlightening, and guiding (John 16:7-11, John 3:5, I Corinthians 6:19, John 14:26, John 16:13).

We BELIEVE in the resurrection of both the saved and the lost; those who are saved unto resurrection of life and those who are lost unto the resurrection of damnation (John 5:28-29), first resurrection (I Thessalonians 4:13-17), second resurrection (Revelation 20:13).

We BELIEVE in the spiritual unity of all believers in Christ (John 17:11, Ephesians 4:13).

Arkansas State Law requires school attendance as stated:

A.C.A. § 6-18-201 & 6-18-211 (2014)

6-18-201. Compulsory attendance

Under the penalty for noncompliance set by law, every parent, guardian, or other person residing within the State of Arkansas having custody or charge of a child five (5) years of age through seventeen (17) years of age on or before the date established in § 6-18-207 for the minimum age for enrollment in public school shall enroll and send the child to a public, private, or parochial school or provide a home school for the child, as described in § 6-15-501 et seq.

(a) Beginning with the 2004-2005 school year, students in grades nine through twelve (9-12) shall be required to schedule and attend a full school day.

(2) (A) The regulations shall allow local school district boards of directors to develop policies to allow:

(i) Students to be assigned to no more than one (1) class period each day for a study hall period that the student shall be required to attend and participate in for a full class period of self-study or organized tutoring in the school building; and

(ii) (a) No more than one (1) class period each day for organized and scheduled 8 student extracurricular classes to be included as planned instructional time.

(b) If the extracurricular class is related to a seasonal activity, the class must continue to meet after the season ends to be counted toward the requirement of planned instructional time.

(B) The regulations shall allow local school district boards of directors to develop policies for granting waivers to students who would experience proven financial hardships if required to attend a full school day.

(c) Enrollment and attendance in vocational-educational training courses, college courses, school work programs, and other Department of Education-sanctioned educational programs may be used to satisfy the requirements of this section even if the programs are not located at the public schools.

(d) Nothing in this section and § 6-18-210:

(1) Precludes a student who has met all graduation requirements from graduating early; or

(2) Requires a student who has graduated early from high school to continue to attend school.

ATTENDANCE POLICY

Shiloh Christian School recognizes for a quality education to occur; regular student attendance is necessary and required. Absence from school is detrimental to the academic progress of the student and the class a whole.

Absences: An absence is defined as a student not being physically present in his/her scheduled classroom at a time when class is in session.

Students who are absent more than 10 days from a class in a semester (except those noted in the Additional Absences section) are considered ineligible for credit in that class and/or grade promotion and will be placed on “Audit Status”. He/She will be required to continue attending class, but will not receive credit for the class.

Students who are absent for 10 days or more of a core class for reasons other than those noted in the Additional Absences section during any semester of grades 6-12 will be given a grade of incomplete at the end of that semester. The student must then complete and make a grade of 70% or more on the credit recovery class within the timeline, as prescribed by the administration, in order to receive credit for the class in which the absences have occurred. The grade for the credit recovery class will be averaged with the Shiloh Christian School class to produce a final grade. Failure to meet the guidelines mentioned above will result in the student receiving a failing grade for the Shiloh Christian School class. All costs related to credit recovery enrollment and materials will be at the parent’s expense.

Any student who has been absent from class must present himself to the attendance office and receive a class admit slip before reporting to class. This must be initialed by the teacher and returned to the attendance office that day.

Excused Absence:

An absence due to personal sickness, serious illness in the family, medical appointments (physician’s note is required), death of a family member or close friend, or acts of God.

Un-Excused Absence:

When an absence is not excused by one of the reasons above, a note signed by a parent or legal guardian may be used to excuse an absence for each of the first five (5) unexcused absences per semester. Parents are strongly discouraged from taking students out of school for any reason other than family emergencies.

Normal and appropriate reasons for having an absence excused to make up work include:

- A. Personal illness
- B. Injury

Absences are discouraged for reasons such as:

- A. Vacations
- B. Shopping

***All absences except those noted in the Additional Absences section count toward the maximum of 10 per class each semester. ***

***Final authority for granting an excused absence rests with the administration. ***

Absences Recorded

An absence will be recorded as unexcused on the day the absence occurs. The absence will be changed to excused if appropriate documentation is received within **two days** of the student's return to school.

The distinction between an excused and an unexcused absence relates only to making-up missed academic work. Unexcused absences result in "0's" for missed academic work, including tests.

Penalties for Excessive Absences

The school will take the following action when a student's absences approach the excessive amount.

- A. Notify the student and parents that the student may potentially violate this attendance policy and is subject to denial of credit and may be subject to denial of promotion or graduation.
- B. When a student accumulates five (5) absences, the school shall notify the parent or guardian.
- C. When a student accumulates a total of seven (7) absences, the school shall notify the parents or guardians of potential loss of academic credit.

Additional Absences

Additional absences that are not charged against the allowable number of absences are:

- A. Official School Business Activity: School-sponsored field trips, assemblies, contests, or any other school activity as determined by the school administration. Appropriate documentation is not required as the school administration has made the determination of an approved school activity.
- B. College Visits: Student absences due to the visitation of an institution of higher learning where that student is considering future attendance. Appropriate Documentation from the institution visited must be submitted within two days to the Attendance Office. College visits must be approved in advance. Students are allowed a maximum of two days per semester for college visits. These opportunities begin the second semester of a student's sophomore year and include both semesters of the junior and senior year.
- C. To participate in the election poll workers program for high school students;
- D. To serve as a page for the General Assembly;
- E. Extraordinary Circumstances: Upon review of the attendance committee, Shiloh Christian School may grant an extension of allowed absences for extraordinary circumstances or extreme duress of the student or family. An example would be chronic illness. A chronic illness is defined as a frequent recurrence of an illness that would cause a student to be absent from school for more than the allowed absences per semester. Medical documentation must be provided each year when a

waiver of this type is requested. Petition for waivers based on extreme duress may be presented to school administration by appointment.

Late Arrival/Early Dismissal

- A. All students arriving to school after 8:15a.m. are required to check in at the Attendance Office.
- B. All students checking-out prior to the end of the school day for any reason must report and sign-out in the Attendance Office. All medical, dental, and other professional appointments must be confirmed by a parent/guardian by emailing frontdesk@shilohsaints.org. Failure to report to the Attendance Office when checking-out of school will be considered truancy and may result in detention, in-school suspension, or out of school suspension.
- C. Four or more tardies per semester in the same class will be considered excessive and will warrant the following disciplinary actions.
 - 1. 2-8 tardy in the same class – 1 day In-School Suspension
 - 2. 9-11 tardy in the same class – 1 day Out of School suspension (no credit received for missed academic work, make-up work not allowed)
 - 3. 12+ tardy in the same class – 1 day Out of School suspension (no credit received for missed academic work, make-up work not allowed)

School officials do have the right, however, to search students and their property in the interest of the overall welfare of other students or when necessary to preserve order and discipline in the school. In accordance with its mission statement and core values, Shiloh Christian School may have performed by an outside agency, mandatory testing for illegal substances. These tests may include urinalysis, saliva, and/or hair follicle. Students or student groups may or may not be chosen randomly for testing. Additionally, local police officers, with the assistance of a trained K-9, may at times during the year perform searches for illegal substances. Areas and items to be searched may include, but are not limited to: classrooms, hallways, bathrooms, locker rooms, parking lots, vehicles, book bags, backpacks, or other personal belongings. Students found in violation of policies for illegal substances face potential charges from local law enforcement with which Shiloh Christian School would fully cooperate and/or discipline as outlined in the Student Handbook.

P. Custodial/Non-Custodial Parent Rights and Responsibilities

1. Access to Records

Shiloh Christian School presumes that the person who enrolls a student in school is the student's custodial parent. It is the responsibility of the parent to provide any documentation regarding the restrictions of a non-custodial parent. Shiloh Christian School, unless otherwise informed, assumes that there are no restrictions regarding the non-custodial parent's right to be kept informed of the student's school progress and activities. If restrictions exist to the above rights, the custodial parent should submit a certified copy of the court order which curtails these specific rights.

Unless there are specific court-imposed restrictions, the non-custodial parent, upon request, will be given access to all of the student's educational records, including but not limited to, the student's cumulative file, records kept by the teacher, and the student's special education file (when applicable).

The following also have access rights to a student's records: (1) A court appointed guardian.

(2) An agency to which jurisdiction over the child has been awarded.

Records requested by an attorney representing a parent shall be acquired by subpoena or written consent of custodial parent. Current data not available in student records, such as attendance records or the latest report card, should be attached to the request.

2. Stepparent Involvement

At the request of the custodial parent, the school shall allow the stepparent to act for the custodial parent unless the noncustodial parent objects in writing to the school.

3. Conference Requests

Upon written request, the non-custodial parent may conference with the student's teacher(s) and/or meet briefly with the student. Under no circumstances will the student be permitted to visit with or be released to anyone, including the non-custodial parent without the approval of the custodial parent.

The custodial parent should be aware of the following:

Only a legal document (i.e. final divorce decree which includes specific denial of visitation or a restraining order denying visiting rights) can prevent a parent from participating in the activities named above.

While both parents can see the child at school, only the custodial parent has the right to remove the child from school property. If the non-custodial parent asks to take the child from school, the following step should be taken:

- The principal or his or her designee is to explain that the school staff is responsible for the child's welfare while at school. In front of the non-custodial parent, the custodial parent should be telephoned with the request of the non-custodial parent. If the custodial parent agrees, only then should the non-custodial parent be allowed to remove the child from school property following standard check-out procedures.

Secondary School Grading Scale

A. Grading Scale

1. All grading will be based on percentages in a given marking period as follows:

| PERCENTAGE GRADE VALUE | LETTER GRADE | G.P.A. |
|------------------------------|-----------------|--------|
| 90 - 100 | A | 4.0 |
| 80 - 89 | B | 3.0 |

| | | |
|---------|---|-----|
| 70 - 79 | C | 2.0 |
| 60 - 69 | D | 1.0 |
| 0 - 59 | F | 0.0 |

*AP (Advanced Placement) and Early College Decision classes: A=5.0, B=4.0, C=3.0, D=2.0, F=0

*AP classes are weighted only if the student completes both semesters of the AP class and takes the AP exam in May.

2. Days present, days absent and tardies appear on a student's permanent record.
3. Incomplete, late assignments and assignments required in order to receive credit for a course must be completed by the date assigned by the teacher or school administration.
4. Students who do not hand in major assignments, projects, or class requirements are in danger of receiving a failing grade. Overdue assignments may be required to be completed without credit.
5. All work must be made up by the close of the grading period. If assignments are not submitted by the end of the grading period because of an emergency situation, the student may receive an "incomplete" on his/her report card. In such cases, the student will confer with his or her instructor and guidance counselor and will be placed on a schedule to complete missed work. The student will be responsible for completing all work within the time frame allotted or will receive a zero. The final grade will then be recomputed and marked on the student's report card. All grades of "incomplete" (I) must be made-up within the school specified time period or the student will receive a zero.

B. Report to Parents

Code of Conduct: 24/7/365

Students are expected to represent Shiloh in a positive manner even when they are not on school grounds and/or attending school functions (including extracurricular activities). Students and their parents acknowledge and understand that students are subject to discipline for conduct occurring off-campus or during non-school hours, including weekends, holidays and summers. The administration will deal directly with any student who violates the Student Code of Conduct or draws attention to Shiloh in a negative manner which may result in disciplinary action or a student's dismissal from the school. A student may be removed from participation in extracurricular activities or may be excluded from school honors or more for violation of extracurricular standards of behavior for an activity or for violation of Student Code of Conduct relating to 24/7/365.

- A. Students shall respect the authority of ALL adults and the rights and property of others.

DISCIPLINE POLICY

Attendance at Shiloh Christian School is a privilege. The school exists for the purpose of providing a complete and wholesome education with emphasis in moral and Christian training. Effective instruction in these areas requires good order and discipline, which may be described as the absence of distractions, friction, and disturbances which interfere with the effective functioning of the student, class, and school. Therefore, the following policy and procedures will be supported in order to maintain such discipline.

Policy

It is the policy of Shiloh Christian School that each student enrolled in the school has a basic right to the best education and training afforded by the school. However, when a student interferes in any way with a teacher's right to teach or a fellow student's right to learn, that student forfeits his/her basic educational right and will be subject to those penalties imposed by the Administration or School Board until being reinstated in good standing. The first line of discipline lies with the classroom teacher. Students are to be subordinate to teachers at all times during school hours, whether in or out of class, or at any school sponsored event whether at home, away, or en-route to or from the event. Insubordination in any form will not be tolerated.

Process and Procedures

Due to repetition or magnitude of misbehavior, discipline problems may be referred to the Dean or designee.

1. Any student referred for immediate attention must be accompanied by the teacher or by a written explanation as to the situation prompting the referral.

General Procedures

When the teacher's attempt to deal with the problem has not been effective, the Dean of Students or the designee will meet with the offending student. Discipline will be based upon the student's cumulative disciplinary record for any one school year. However, there are certain violations that may require immediate suspension or expulsion from Shiloh Christian School.

Disciplinary Actions

1. Detention

All detentions will be served on Thursday mornings at 7:00 a.m. (or at other appointed times determined by the administration), under the supervision of the Dean or the designee. Failure to attend detention will result in additional discipline measures (most commonly one day of ISS). Students who are assigned detention must serve it on the day it is scheduled regardless of potentially missing previously scheduled activities.

2. In-School Suspension (ISS)

In-School Suspension may be assigned for a variety of issues related to misconduct. The following rules apply to ISS:

- a. Students must report to the Dean of Student's Office no later than 8:15 a.m. Dismissal will be at the end of the school day.
- b. Students will eat lunch in the ISS room.

- c. Computers and electronic tablets are allowed for work specified by the student's teacher. No other electronic devices are allowed.
- d. Students will be responsible for bringing all books and supplies each day to successfully complete their assignments.
- e. Restroom breaks will be scheduled at appropriate intervals.
- f. Extracurricular participation for students assigned to ISS will be determined by the Dean of Students and activity sponsor.

3. Out-of-School Suspension (OSS)

Out-of-School Suspension may take place for Class II and Class III offenses or other violations as described in this section. The administration has the authority to evoke student suspension after examining and evaluating all pertinent facts. Students will be readmitted only after a parent/guardian has conferred with a member of the secondary administration. Students assigned OSS may be required to complete assignments. Students will not receive credit for any missed assignment while on suspension. Students are prohibited from participating in any school activity, including extracurricular, while serving suspension.

4. Disciplinary Probation

Due to misbehavior or misconduct, students may be placed on probation. Students on probation may be prohibited from participating in any extracurricular activities (some elective courses may be included) for a designated time or indefinitely.

5. Alternative Learning Environment (ALE)

In certain circumstances a student may be assigned to an alternative learning environment. An ALE assignment is for a period to be determined by the school administration. While assigned to ALE a student will have minimal interaction and may not be allowed to participate in extracurricular activities without administrative approval.

6. Expulsion

Expulsion procedures will be carried out following state law and guidelines as closely as possible. Anytime a referral is submitted that warrants formal disciplinary action, a reasonable effort will be made by the school to either contact the parent(s) or guardian(s) by written note delivered by the student, by making a telephone call during school hours, by e-mail, or by mail.

SOCIAL MEDIA POLICY

Shiloh Christian Secondary School recognizes the emerging and changing role of social media in culture. In accordance with the school's mission statement and core values the commitment and expectation surrounding the use of social media is intentionally high. Protection of the student's safety and reputation in addition to protection of the school's reputation is the rationale for requiring appropriate communication via social media. Students, parents, and faculty represent Shiloh Christian School in these venues. Those who engage in the various interactions of social media are subject to the same behavioral standards, expectations, and discipline set forth in the Student Handbook.

Shiloh Christian School occasionally receives social media network images and/or texts from concerned parents, students, or other individuals. For sites beyond our school's networks, it has become the practice of Shiloh Christian School to forward these to parents of students involved in an effort to inform parents who may not otherwise be aware of what may be questionable content. Forwarding to parents does not preclude potential disciplinary actions as set forth in the Student Handbook.

Individuals are responsible for the content they post. Shiloh Christian School reserves the right to amend this Policy at any time due to changes in law or school standards.

Guidelines for acceptable social media use:

1. Exercise care when participating in use of social media within the Shiloh community and outside the Shiloh community.
2. Consider everything communicated via social media as public information even if there is limited access to the site. This includes texts, images, video, and audio.
3. Consider once a post of any kind has been published it may become the property of that social networking site. These sites are often searchable even after content has been removed or deleted.
4. Consider colleges, universities, and employers are now reviewing individuals on social networking sites as part of their overall evaluation of applicants.

5. Exercise caution in every social media post. Remember that text and images do not carry tone or context. What may be an innocent comment or image posted in jest may not be perceived that way.

Cyber-bullying

Harassing, denigrating, impersonating, pranking, excluding, and cyber-stalking are all examples of cyber-bullying. Cyber-bullying will not be tolerated. Sending emails or posting comments, images, and/or other content with the intent of scaring, hurting, or intimidating someone else can be considered cyber-bullying. Engaging in these behaviors, or any online activities intended to harm (physically or emotionally) another person, can be a crime. These behaviors may also result in severe disciplinary action and loss of privileges. Remember network activities are monitored and retained. (See Anti-Bullying/Harassment Policy)

Parent/Guardian Responsibilities

It is strongly suggested that parents communicate with students about values and the standards they should follow regarding the use of the Internet and all media information sources such as television, cell phones, electronic devices, videos, movies, and music.

4. Detention or suspension from school and school-related activities
5. Legal action and/or prosecution

Extracurricular Activities

Scholastic Requirements for Participation in Extracurricular Activities

Shiloh Christian Secondary School recognizes academic achievement and spiritual growth as the top priority of all students. Students must meet the academic requirements established by the Arkansas Activities Association. This requirement is a minimum standard and does not preclude an individual sponsor (with Dean approval) from setting higher academic criteria for participation in a selected group.

Athletics, Activities, Organizations, etc.

Athletics play an important role in developing healthy bodies, growth in wholesome interpersonal relationships, maturity in handling pressures and how to live with success and failure. Athletes will be expected to promote a Christ-like spirit in sportsmanship and attitude while displaying a cooperative spirit with the faculty, student body, and the school administration. Athletes will receive an athletic handbook which will outline the rules and regulations concerning athletics. Shiloh Christian School is a member of the Arkansas High School Athletic Association and participates in the 4A 1West Athletic Conference.

1. Athletics presents several developmental levels of growth for student-athletes. These levels are transitional between goals of participation and competitive excellence. At younger levels the focus is on participation. Shiloh desires to maintain and sharpen goals of excellence while acknowledging that these students are in rapid changes of maturity and ability. Shiloh desires to develop their interests, exploring areas to find the Lord's direction and gifting for them, while also developing their skills in those activities. It is the goal in our athletics programs to present maximum opportunities and avoid "cuts," if at all possible, based on size-limits of programs.
2. The primary goal at the high school level is competition. Programs are structured to encourage individual skills development along with team play. Teams may be kept at a manageable size.
3. Occasionally, students must be dismissed early from class in order to compete in an early event. Students will be expected to make prior arrangements with each teacher before dismissal from class.
4. Class officers will be elected in the fall for each grade (6-12). The requirements for eligibility are a 2.0 G.P.A. and approval from the advisors and two teachers. Repeated misbehavior or a G.P.A. that falls below 2.0 during the student's tenure of office may result in that student's removal from office.
5. All clubs must be approved by the administration and led by an approved adult sponsor.
6. Socials with the class and school should be coordinated with the school office as to date, time, location, and sponsor.
7. The Student Council of Shiloh Christian School will aid the administration and faculty, provide a channel to the administration and the Board, provide a well-balanced social program, encourage student participation and spirit in school activities, and uphold the spiritual principles upon which the school was founded. The faculty advisor will be appointed by the Dean. The governing of this organization shall be in accordance with "The Constitution of the Student Council of Shiloh Christian Secondary School."

Lockers

The school is not responsible for lost or stolen items. Students may decorate the insides of lockers but may not apply self-adhesive stickers or other objects that may leave residue. Pictures and other decorations must be in keeping with Christian standards. Outside locker decoration will be approved for "school spirit" when decorations are done by cheerleaders or other school approved groups. Those decorations on the outside of lockers must be removed on Wednesday and Friday afternoons.

CONFLICT RESOLUTION

Conflict is bound to occur in any given relationship. Truly, "all have sinned and fall short of the glory of God" (Romans 3:23). Differences of opinion, misconduct, hurtful words and violations of trust are found in the Christian community as well as the world. The presence of such conflict is common to both; however, the manner in which the Christian deals with conflict is to be different than the typical approach of the unbeliever. This is a testimony of the transformed life (Romans 12:1-2).

God has given us specific guidelines in His Word regarding the resolution of conflict.

"If your brother sins against you, go and show him his fault, just between the two of you. If he listens to you, you have won your brother over. But if he will not listen, take one or two others along, so that every matter may be established by the testimony of two or three witnesses. If he refuses to listen to them, tell it to the church, and if he refuses to listen even to the church, treat him as you would a pagan or a tax collector." (Matthew 18:15-17)

The practical application of this truth at Shiloh Christian School is as follows:

- A. Talk to God about the matter before speaking to anyone else. Give Him opportunity to calm your spirit, grant perspective and focus your eyes upon Him instead of the circumstances (Psalm 139:23-24).
- B. Do not talk to others about the individual(s) involved in the conflict. Do not sow seeds of discord among the Shiloh family (Proverbs 6:16-19). If counsel needs to be sought, do so while protecting the identity of the parties involved.
- C. Make an appointment to speak privately with the individual who is directly involved in the conflict. There is an appropriate time and place to discuss such issues. Give the other individual opportunity to reflect upon his/her actions or words, seek God's perspective of the matter, and prepare for the conversation.
- D. (This means a classroom issue must first be discussed with the teacher, an athletic issue must first be discussed with the coach, and an administrative issue must first be discussed with the appropriate administrator.) If a positive outcome cannot be achieved in this initial meeting, a meeting needs to be scheduled with the original parties and the next level of administration.
- E. This process continues as long as necessary with the ultimate resolution resting in the hands of the Board of Directors for Shiloh Christian School.

In following this God-given process of conflict resolution, we are being obedient to the Scripture, protecting the unity and integrity of the school's ministry, growing in our spiritual maturity, and giving a positive testimony to others.

Sexual Harassment Policy

Sexual harassment is absolutely prohibited at Shiloh Christian School. Any incident resulting in possible sexual harassment shall be brought immediately to the attention of the school administration, who will thoroughly investigate the matter in confidence. Based on the results of the findings, the school administration will make a determination concerning whether reasonable grounds exist to confirm harassment has occurred. Disciplinary action will result up to and including contract termination or dismissal and will be taken against any student or employee who is found to be engaged in sexual harassment.

Sexual harassment includes, but is not limited to:

Harassment may include hazing and coercion into unwanted activities by one student to another, by employee to student, student to employee, or employee to employee

Unwanted sexual advances including inappropriate and unwanted physical contact

Inappropriate use of technology that is sexual in nature

Verbal or written sexual advances or propositions

Verbal or written abuse of a sexual nature, graphic verbal or written commentaries about an individual's body, sexually degrading words used to describe and individual

Verbal or written conduct; making or using derogatory comments, slurs, cursing and jokes

Employees who file a complaint of sexual harassment will not be subject to retaliation or reprisal in any form.

Employees who knowingly fabricate allegations of sexual harassment shall be subject to disciplinary action up to and including termination.

Individuals who withhold information, purposely provide inaccurate facts, or otherwise hinder an investigation of sexual harassment shall be subject to disciplinary action up to and including termination.

DEFINITION: The definition of employee(s) includes staff, substitutes and volunteers.

Student Chromebook Device Policy

This policy describes the rules and regulations, regarding using a school-provided device and a personally owned device. Except where specifically stated, personally-owned devices (PODs) are subject to the same rules and policies as school-owned devices.

Chromebook

Effective with the 2019-20 school year, all students in grades 8-12 will be issued a school provided Chromebook. These students are expected to use the Chromebook for all educational activities while at school.

General Terms & Conditions

- The Chromebook is being made available to the student on the terms and conditions described in this document only for purposes of educational services provided by SCS.
- The Chromebook is and will remain at all times the property of Shiloh Christian School. SCS may recall the Chromebook, or place additional restrictions on the student's use or possession of the Chromebook, at any time and for any reason, with or without prior notice.
- SCS reserves the right to change the terms or conditions of the student's possession or use of the Chromebook, or to impose new restrictions on use or possession of the Chromebook, at any time.
- The student's possession and use of the Chromebook will be subject at all times, both on and off campus, to the terms and conditions described in this document, state, and federal laws.
- Under no circumstances will the student use the Chromebook or permit the Chromebook to be used in furtherance of any crime; fraud; threat; defamation; plagiarism; copyright, patent, or trademark infringement; illegal downloading; theft of intellectual property; gambling; accessing, viewing, or transmission of pornographic or violent images or content; illegal or unauthorized accessing or use of data; bullying or harassment (including cyber-bullying); malicious internet activities (including "hacking" of other computers or websites); advertising or commercial activities; abusive or insulting communications; or any unlawful activities of any kind.
- Under no circumstances will the student use the Chromebook, or permit the Chromebook to be used, to access any networks, websites, or online resources that have not been approved by SCS.

- The student will not share the Chromebook with any other person unless expressly authorized to do so by an SCS teacher or administrator. The student will not loan the Chromebook to any other person, including another SCS student, without prior written authorization from the principal.
- Any violation of the terms or conditions set forth or referenced in this document may result in my possession or use of the Chromebook being restricted, suspended, or terminated, with or without prior notice, at the sole discretion of SCS.

Issuance & Return of Chromebook

- The student's license to use the Chromebook terminates on the last day of the school year, unless terminated earlier by SCS. Chromebooks will be collected on or before the last day of the school year.
- Given the time required for technology staff to inspect, maintain, and upgrade the Chromebooks over the summer, penalties will be assessed for the late return of Chromebooks at the end of the school year.
- If the student fails to return the Chromebook by the last day of the school year, the student and the student's parent/guardian will incur the total replacement cost of the Chromebook.
- Late fees may also be assessed if the Chromebook is not returned immediately after being recalled by SCS before the end of the school year. A late fee of \$5 per day for the first 30 days and \$10 per day for the next 30 days may be assessed if the Chromebook is not returned when requested. If the Chromebook is not returned within 60 days after the end of the grace period, the student and the student's parent/guardian may be assessed the full replacement cost for the Chromebook, and SCS may institute legal actions against the student and/or the student's parent/guardian.

Care, Maintenance & Inspections

- Under no circumstances will the student install or permit to be installed on the Chromebook any hardware, software, drivers, or other programs or devices without the advance written approval of the principal or his designee. Under no circumstances will the student delete, uninstall, or attempt to circumvent any hardware, software, drivers, filters, or other programs or devices installed on the Chromebook by SCS.
- The Chromebook may be inspected at any time by SCS officials, with or without prior notice, either in person or remotely via the internet or network connections, for purposes of maintenance and/or to monitor the student's use of the Chromebook (including any email communications and internet activities) to determine whether the student is complying with

the terms and conditions set forth or described in this document. By signing this document, the student and parent/guardian acknowledge that they have no reasonable expectation of privacy to any data or information of any kind contained on the Chromebook, which shall at all times remain SCS property and which is intended to be used only for school purposes. The student and the student's parent/guardian further acknowledge that if any such inspection reveals evidence that the student has violated the Code of Student Conduct or any criminal law, such evidence may be used in support of a disciplinary action against the student and/or shared with law enforcement.

Loss, Theft, & Damage

- The Chromebook is a valuable piece of property that is being made available to the student by SCS for purposes of advancing the student's education.
- The student is responsible for ensuring that the Chromebook is kept safe and secure at all times while it is in the student's possession or under the student's control.
- Under no circumstances will the student leave the Chromebook unattended at any location, either on or off campus, unless it is safely secured at the student's home or locked in the student's school locker.
- Under no circumstances will the student leave the Chromebook in the care or custody of any person other than the student's parent or guardian or an SCS teacher or administrator.
- If the Chromebook is lost, stolen, damaged or malfunctioning in any way, the student will immediately report the problem to the SCS Administration.
- SCS will investigate all incidents of Chromebooks reported as lost and may refer any such incidents to law enforcement. SCS Chromebooks can be easily identified and traced. *Any theft, conspiracy to steal, or unauthorized sale of or conspiracy to sell an SCS-owned Chromebook will be vigorously prosecuted to the fullest extent of the law.*
- In recognition of the advantages that come from being issued a Chromebook and the considerable expense to SCS in funding the Chromebook program, the student and student's parent/guardian acknowledge that they must bear some risk for the possibility that the Chromebook may be lost, damaged, or stolen. While no fees will be charged for repair or replacement of the Chromebook that is fully covered by a manufacturer's warranty, all other repairs and replacements will be subject to the fees set out below.
- If for any reason the Chromebook is damaged, lost, stolen, or destroyed during the time that it is issued to the student, regardless of whether the student is at fault, the student and the student's parent/guardian will be responsible for the following fees to help offset the actual replacement costs to SCS:

Dell Chromebook 11 3180 (2018-2019)

- LCD Assembly - \$100
- Bottom Cover - \$30
- Keyboard/Trackpad - \$90
- Charger - \$30

Dell Chromebook 3100 (2019-2020)

- LCD Assembly - \$180
- Bottom Cover - \$80
- Keyboard/Trackpad - \$115
- Charger - \$60

** If the damage is beyond repair or exceeds the value of the unit and is found to be the fault of the student the student will be responsible for the replacement cost of the device**

- If the Chromebook is damaged or destroyed during the time it is issued to the student because the student committed or intentionally facilitated a deliberate act of damage or vandalism, the student and the student's parent/guardian will be responsible for the actual cost or repair or replacement, whichever is less.

- For purposes of this document, the replacement cost is the actual cost to SCS at the time of replacement of a new Dell Chromebook in Springdale, Arkansas, at retail price.

- For purposes of this document, the repair cost is the actual cost to SCS to have the Chromebook fully repaired by a qualified repair technician of SCS's choosing to the condition the Chromebook was in when it was originally issued to the student.

- The student will not be issued a replacement Chromebook until the costs described above have been paid in full.

- SCS reserves the right to decline to issue a replacement Chromebook if it determines, in its sole discretion, that the risk of loss or damage to the replacement Chromebook is unacceptable. The decision not to issue a replacement Chromebook shall not excuse the student and his parent/guardian from any fees associated with the loss, theft, or damage of any previously-issued SCS Chromebooks, given that those fees are intended to help offset the actual cost to SCS of repair or replacement of SCS's property.
